

airline successfully hires 700 call center and customer service employees within 5 months using recruitment process outsourcing.

industry: airline

challenge

This airline company was tasked with filling 700 call center and customer service positions in only 5 months.

solution

With a project RPO solution from Randstad Sourceright, the airliner gained access to the tools, support and sourcing expertise to fulfill its hiring goals.

key results

A robust recruiting strategy adapted to regions across Canada and resulted in a 100% fill rate for these 700 positions.
